Mixed Two-Ball foursomes, starting at 2:30 p.m.
Arrange your foursome and sign up in the Pro Shop.

OFFICIAL TOURNAMENT RULES AND CONDITIONS OF PLAY

The rules of the United States Golf Association will govern all competition with the exception of the local rules printed on the back of the scorecard and the supplementary rule sheet.

Finals of the Grand Championship (Men 21-44) and Women will be played over 36 holes. All other matches will play 18 holes.

Extra hole matches will be played at a time designated by the official starter.

Qualifying rounds and matches will be played in foursomes; finals shall be in twosomes.

All disputes will be decided by the Rules Committee. If you are not sure of a situation, play two balls pending an official ruling.

Pairings for the qualifying rounds will be posted on the scoreboard between the locker room doors. Starting times for match play will be posted on the scoreboard.

Host professional and assistants will serve you in the Pro Shop. Electric carts are permissible, with a limited number available for rental. Arrangements for carts or caddies may be made through the Pro Shop.

Practice rounds permitted Saturday, July 22 all day, and Sunday, July 23 after 3 p.m. Foursomes only at pre-arranged times. Call the Pro Shop, 861-2545 after June 19.

All qualifying rounds must be played under 4½ hours.

Anyone hitting a hole-in-one on #4 any time during regular tournament play, will be the winner of a new, 13" color TV, courtesy of Hunt's TV in Astoria. In case of a tie, players will chip off #18 on Saturday, July 29, 1978.

Monday -- 11:00 A.M. to 2:00 P.M.

Play ball as it lies.

FAST PLAY--makes the tournament more enjoyable for all. Please do your part to keep you and your group moving along. Holes #3 and #4 can "jam-up" on our golf course, so please help each other spot your balls and in searching for them.

Continuous play on all par 3 holes. Do not allow players waiting on tee to hit up.

#3 hole-The chain on #3 path by the green may be played as is or use defined drop area.

#4 hole-Continuous play will be used. Mandatory drop area - if ball is hit into water or hit over the bank to the left of the #5 tee. Lime lines define the bank edge. The second shot must be played from the drop area, one stroke penalty. No option. Forecaddy will assist you.

#5 hole-Water hazard at the edge of the water line. Out of bounds, right of fairway defined by white stakes beginning approximately 200 yards from the tee.

#9hole-The lake is to be played as a water hazard from the men's tee only; From any other place, the lake is to be played as a lateral hazard. Red stakes indicate boundary of hazard.

#10 hole-Out of bounds, white stakes, along left bank edge near tree line and beyond green down to #11 tee. If in doubt play provisional ball from tee. Practice green, sand trap, and drainage ditch between #10 and #11 as marked by lime stripe, is ground under repair, and ball may be lifted and dropped no nearer the hole. Play ball as it lies from all other locations to right of fairway and green.

#17, #18 holes-When on the putting surface, relief from drain holes on the green, no closer to the hole.

CART PATHS--Place ball 2 club lengths no nearer the hole. - No penalty.

New planted trees (white stakes) and 150 yard marker trees, free drop, 2 club lengths, no nearer the hole.

Ground under repair - as lime striped - may drop 2 club lengths, no nearer the hole. No penalty.

Protective screens on #8 ladies tee, #11 ladies tee, and #18 tee. U.S.G.A. rules apply. 2 club length drop - 1 stroke penalty. - No line of sight relief

Be sure to check all your starting times for both the qualifying round and all matches and report to starter 5 minutes before your tee-off time.

Forecaddies will assist you on 3,4,9, and 15. Forecaddy signals.

2011 Oregon Coast Invitational

Welcome to the 101st Oregon Coast Invitational. I would like to wish all contestants the best of luck in the week ahead. If there is anything that the Golf Shop Staff can do to assist you, please don't hesitate to ask. Good luck and have a great week.

Practice Facility

Our practice facility will be open 30 minutes prior to the first starting time and will close at 7:00 p.m. each night. Transportation will be provided to and from the practice facility.

Bag Storage

Our golf shop offers complimentary bag storage for all contestants. If you would like to store your bag, please attach the Coast Invitational bag tag to your bag. This will provide identification for your bag and help our bag room staff properly store your bag.

Golf Carts

As in the past, golf cart usage is very heavy during the Coast Tournament. We ask that you please follow a couple of simple guidelines when using rental carts:

- Return immediately after completion of your round.
- Two riders per cart.
- **Carts may not be used for spectators.**

We appreciate your cooperation with our policies.

Friday, July 29th is the Mixed Chapman event. You may play in a foursome or a sixsome. Contact the golf shop starting Monday, July 25th to enter. Please be advised that each team must consist of at least one Coast contestant. Entry fee is \$10.00 per team.

Please let us know if there is anything we can do to make your week run smoothly. The Golf Shop phone number is 503-861-2545. Good luck and enjoy The 101st Oregon Coast Invitational.

2011 PACE OF PLAY

With 400 participants involved in over 1,520 rounds of golf during the week, cooperation regarding pace of play is essential. The Tournament Committee suggests that a 4 ½ hour round should be the maximum time allotted. This translates to an average of 15 minutes per hole. Tournament officials have been instructed to carefully monitor pace of play. The following considerations will apply:

1. Each group is expected to maintain its starting interval. Any group falling a hole (par 4 or 5) behind is subject to being timed.
2. Rule 6-7 states "the player shall play without undue delay." The timing of a player's stroke will begin when the player reaches his ball and it is clearly his turn to play. The shot should be played within 45 seconds. Between completion of a hole and playing from the next teeing ground, "the player shall not unduly delay play."
3. Before the possibility of a timing situation arises, marshals normally will have become aware of the pace problem posed by the group, will have requested that the group correct the problem, and will have passed on the information to other marshals along the line and to members of the rules committee.

Once a group has been deemed out of position and has been informed that play is being timed, players will have 30 seconds to play their shot. Should a player receive 2 bad times in a row, penalty strokes will be incurred.

Stroke play

First offense ----- one stroke

Second offense ----- one stroke

Subsequent offense----- two strokes

Match play ----- loss of hole

4. Administration of pace of play will be coordinated by the rules committee as directed by the Oregon Coast Committee.

Note --- Rule 27, allowing five minutes to locate and identify a lost ball, is in effect on all holes.

2011 OREGON COAST TOURNAMENT – ASTORIA GOLF AND COUNTRY CLUB

SUPPLEMENTARY RULES – Please disregard Local Rules on the Astoria scorecard. USGA rules will be in effect except where modified by the following:

1. Out of Bounds is defined by boundary fences and the inside edges of white stakes. Please note that the area around the clubhouse and pro shop is Out of Bounds.
2. Ground Under Repair is defined by white lines encircling the area and includes all rock filled drains. All flower beds and bark chip areas are in play. EXCEPTION: The area below #15 forward tee, defined by green stakes, is to be played as Ground Under Repair.
3. All artificially surfaced roads and paths are played as Obstructions. White lined areas tied into roads and paths have the same status, and are not Ground Under Repair. On holes #3 and #15, a ball shall be placed instead of dropped after appropriate relief is taken under the Obstruction Rule.
4. Staked trees – If a staked tree interferes with stance or swing, the ball must be lifted, without penalty, and dropped in accordance with the immovable Obstruction Rule.
5. Water Hazards are defined by yellow stakes. Lateral Water Hazards are defined by red stakes and line.
6. Hole #4 – If the ball is hit into the hazard defined by the red stakes and line, the player must take a drop in the defined “ball drop” and incur a one stroke penalty. Any ball on or touching the line is deemed to be in the hazard and not playable.
7. Holes #5 and #9 – From the teeing ground, play the hazard as a Water Hazard. From any other place during the play of these holes, play it as a Lateral Hazard. Play a provision ball before leaving the tee if in doubt as to whether the ball is lost in the hazard or unplayable. If the original ball is playable, play it. If unplayable or lost, play the provisional ball. Exception: From the forward tee on Hole #9, the entire hazard is to be played as a Lateral Water Hazard.
8. Qualifying rounds: Men will qualify from silver tees, except the Super Senior Division will use the gold tee on #9. Women will qualify from green tees. Match play: Championship and 1st flight (Grand Champs) will play from black tees. All other flights will play silver tees. All Senior flights and Super Senior flights 1 - 3 will play from silver tees. Super Senior flights 4 – 9 will play gold tees. Women’s Championship and 1st flight play gold tees. All other Women’s flights will play green tees.
9. Since players are requested to discontinue play once a match has been decided, a hole-in-one prize may be awarded for a shot made only during official match play.
10. Pace of Play – USGA Rule 6-7 regarding undue delay of play will apply. Marshals have been instructed to carefully monitor pace of play. Any group falling behind may be timed and penalties may be imposed. Repeat offenses or lack of cooperation may result in disqualification or removal from the Oregon Coast Invitational list.
11. The Committee reserves the right to begin extra hole matches on any open hole.
12. Should an extreme weather condition occur, a loud signal will direct all players to clear the course. If a ball is in play, the position may be marked or the hole may be completed without delay. (6-8)
13. If a player is late but arrives before his group completes the first hole, he may proceed directly to the second hole of play. The penalty is loss of the first hole in match play or two strokes in stroke play. A player who arrives after his group completes the first hole of play is disqualified.
14. Range Finders and GPS are permitted. They may not indicate slope changes.
15. Embedded Ball Local Rule: Through the green a ball that is embedded in its own pitch mark may be lifted without penalty, cleaned and dropped as near as possible to where it lay, but not nearer the hole. The ball when dropped must first strike a part of the course through the green. Exception: A Player may not take relief under this local rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this local rule. Penalty for breach: Match play – loss of hole; Stroke play – two strokes.

FOR YOUR CONVENIENCE PORTABLE RESTROOMS WILL BE AVAILABLE ON HOLES 11 & 8.

EMERGENCY EVACUATION PLAN

In order to insure the maximum safety for all individuals on the golf course in an emergency or lightning storm, the following information should be made available to all parties responsible for player and crowd evacuation.

In the event of an emergency or delay of play, the following procedure shall be immediately implemented.

1. The Chairman of the Oregon Coast Invitational or his representative shall signal suspension of play with **3** long blasts by an air horn.
2. Players shall immediately mark their ball location and along with spectators and tournament officials move to the closest designated evacuation area. (See list below)
3. Resumption of play will be signaled with **3** prolonged blasts from the air horn.
4. Players shall return to the point where play was suspended and resume play from their marked position.

THE FOLLOWING SHOULD BE REGARDED AS EVACUATION AREAS

THE CLUBHOUSE or PRO SHOP for HOLES 1, 9, 10, 11 and 18
